

Mohit Singh Tomar

Senior UI/UX Designer

I am a Senior UI/UX Designer with 4+ years of experience helping over a dozen organization obtain a competitive advantage by delivering great user experiences across desktop, Mobile, Tablet and other channels. My expertise lies in defining & executing a design strategy that is built on a deep understanding of user & business and the context that surrounds digital experiences. I work in highly collaborative environments with cross disciplinary teams to informed and iterative design solution. My specialities including user research usability testing, IA ,& Interaction designs.
